Backless Silhouette Bench BC2310

1

Assembly:

- Place the seat slats with the pilot holes facing up off the ground.
- Line up the holes on the bench end with the pilot holes on the seat slats
- Secure the bench ends to the seat with the included washers and lag screws.

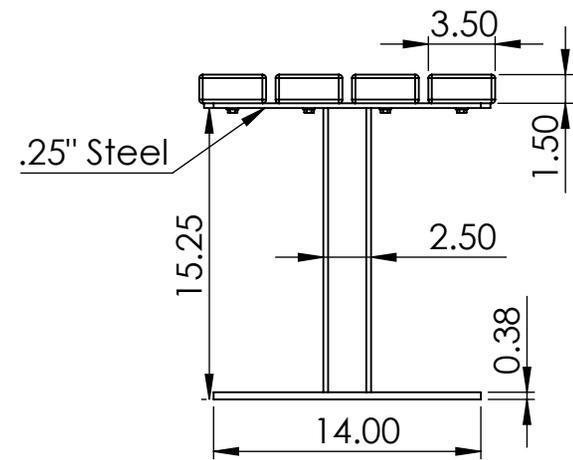

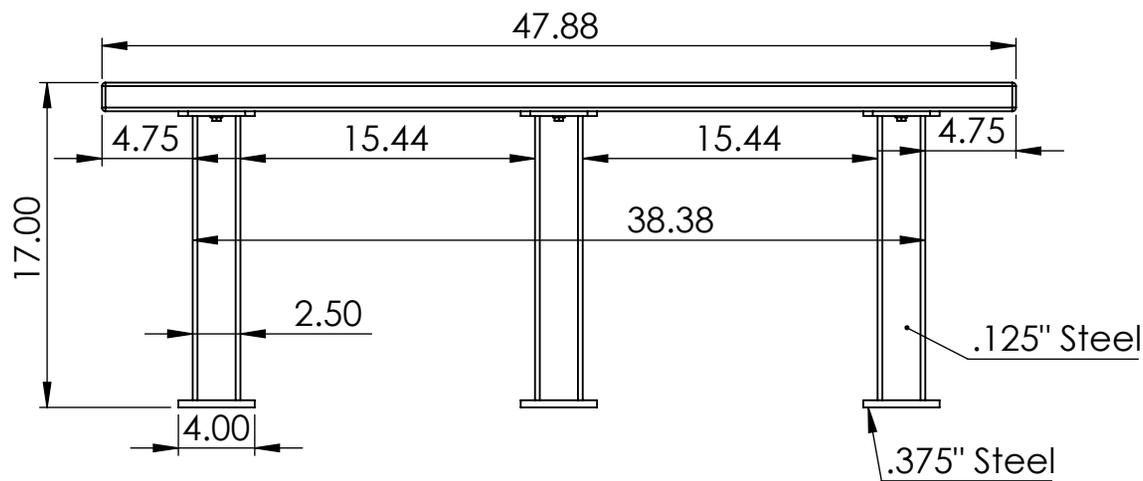

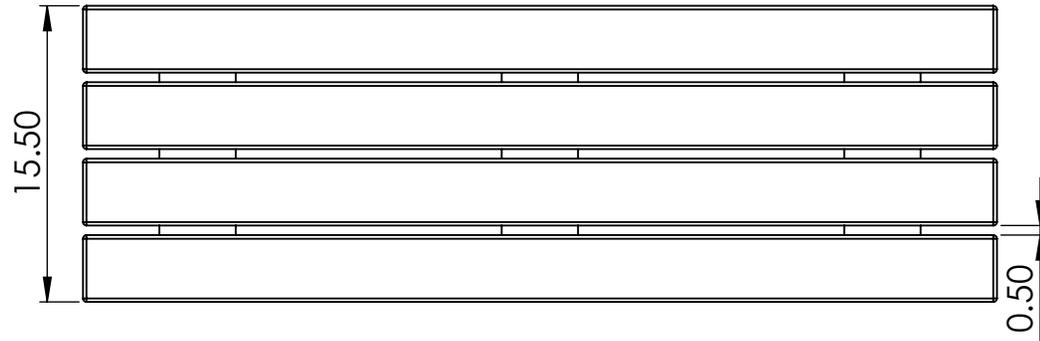

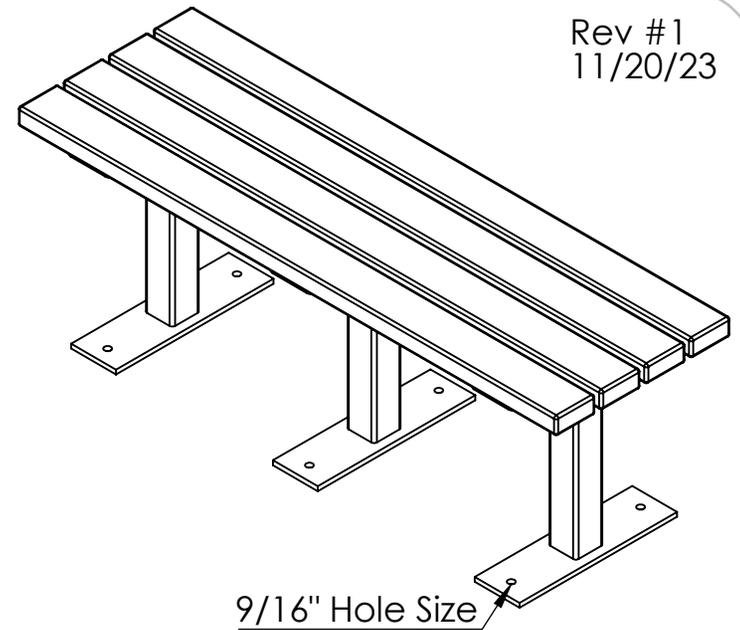

NOTE: Make sure BOTH ends of the bench are square before fully tightening everything down. If possible, secure one of the short ends of the bench against a wall or other flat surface.

**KEEP BOARD SPACING
APPROXIMATELY 1/2"**
